(5-year warranty against perforation corrosion)

DRIVING CONFIDENCE

2-way Limited Slip Differential to power out of any low traction conditions on 4x4 models

Front and rear stabilizers add confidence while cornering

Ventilated discs with Brake Assist and drums with LSPV

High strength Ranger's safety cell construction

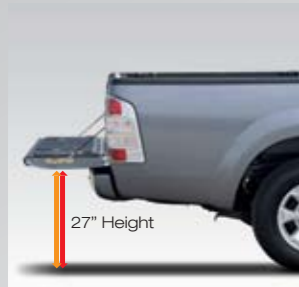

The Ford Ranger XL is designed to give the driver a sense of total confidence, control and peace of mind going through various task with proven safety features such as:

- Front and rear stabilizers for superior road-holding
- Front ventilated discs with Emergency Brake Assist (EBA) and rear drums with Load Sensing Proportioning Valve (LSPV) ensure braking confidence in various road and load
- 3-point Emergency Locking Retractor (ELR) seat belts and load limiter system

SUPERIOR FUNCTIONALITY

The Ford Ranger XL is powered by the powerful best-in-class 2.5L Turbodiesel with Intercooler (TDi) engine. The 16-valve DOHC engine with Intercooler is controlled by an intelligent 16-bit ECU churning out an impressive 109PS at 3,500RPM with 257Nm of torque at 2,000RPM. This optimizes combustion to deliver a perfect combination of high torque and paired with a 5-speed transmission increases fuel efficiency.

The Ford Ranger XL incorporates a unique overlapped cross-braced ladder frame that delivers greater rigidity and durability. The large and strong chassis also ensures superior load-carrying capacity up to 3 tonnes.

Easy loading and unloading

Smooth-shifting 5-speed manual transmission for superior fuel-efficiency

The Double B Pillar structure enhances protection in the event of a side collision*

Practical exterior rope rails and tie-downs***

TOUGH GETS STYLISH

Toughness is in Ford's DNA. And no vehicle better embodies that toughness than the Ford Ranger XL. The Ranger XL now pushes functionality with highly contemporary and stylish way.

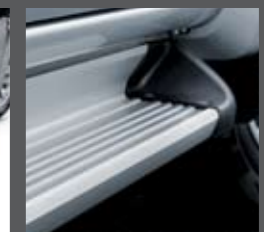

Sleek modern headlamps and prominent 3-bar grille proudly sporting the Ranger name give the truck a distinctive and tough appearance. While the power-dome and over-fenders signal the Ford Built Tough heritage, superior power, performance and functionality that it delivers.

Sleek modern headlamps and chrome grille embossed with the Ranger name

High load capacity - 1-tonne Load / 2-tonne Tow with bedliner

Light weight sporty aluminium side steps*

Stylish stainless steel alloy wheels*
